Wilson Holds Long Conference with Senate Committee on Various Themes

## ON PANAMA CANAL TOLLS

President Broaches Subject of Canal Tolls for First Time During Administration

## OTHER WASHINGTON NEWS

WASHINGTON, Jan. 26.—President Wilson conferred for nearly three hours tonight with the senate committee on foreign relations. The entire committee, Republicans and Democrats with the exception of Senator Clark who is in Arkansas gathered in the Green Room and discussed foreign affairs of the nation. For the first time during his administration the president broached the subject of the Panama canal tolls. The unratified arbitration treaties and the proposed Bryan peace treaties, as well as the Mexican situation and the Japanese alien land controversy were among the subjects discussed. It was the first conference of its kind covering so broad a field, that Mr. Wilson, has held, his previous meeting with the foreign relations committee being devoted chiefly to Mexican affairs. No critical situation in any of the international problems according to the president caused the meeting to be held. The engagement was made more than a week ago in line with the president's plan to take up systematically various important international questions.

## Conference Is Secret.

All senators agreed to maintain secrecy leaving it to the president to discuss what had taken place. The president explained to the waiting correspondents, that he had earnestly urged the ratification of the general arbitration treaties proposed for renewal, sixteen in number. He expressed confidence that they would be ratified. The president also outlined to the committee his attitude on the Panama canal tolls question. Asked what it was he said he thought it was generally understood but declined to discuss his views at this time.

The fact that when the treaty with Great Britain was last considered by the senate an exception was taken to it on the ground that it might force the arbitration of the free tolls for American coastwise vessels led to the belief tonight that the president first desired to see the general treaty with Great Britain ratified and that through the passage of the Adamson resolution now pending in the house, operation of the free tolls provision would be suspended for two years while diplomatic correspondence on the subject continued. All foreign questions pending were discussed and the president said the senators asked him a great deal about Mexico. He said there was no discussion of policy.

## To Hold Separate Meetings.

Plans for public hearings on the anti-trust legislation program in congress probably will take definite shape tomorrow when the house judiciary and interstate commerce committees will hold separate meetings. There is some feeling between the committees in both branches of congress over the question of jurisdiction and it was said tonight the house judiciary committee probably would not consent to joint hearings which Mr. Newlands of the senate committee on commerce and his colleagues have suggested.

## Representatives Clayton, Floyd and Carlan, Informally Conferred

over the situation today in preparation for the meeting of the judiciary committee tomorrow and some of the members of the interstate commerce committee of the house talked over their plans. Representative Covington who was not present when the other Democrats of the committee conferred at the white house recently called on the president today and discussed the interstate trade committee bill.

## FIRE IN WATERLOO CAUSES GREAT LOSS

CONFLAGRATION LOSS ESTIMATED AT \$375,000

Russell-Lamson Four Story Building and the Entire Stock of the Paul Davis Drygoods Co. Destroyed—Twenty Tenants in Office Rooms Lose Everything.

WATERLOO, Ia., Jan. 26.—Fire today destroyed the Russell-Lamson four story building and burned the entire stock of the Paul Davis drygoods company. A part of the building was devoted to office rooms in which twenty tenants lost everything. The entire loss is estimated at \$375,000, with about \$300,000 insurance.

The fire was of unknown origin, but is thought to have been caused by crossed electric wires. It was discovered by Floyd Towers, janitor when he entered the building this morning and found the basement filled with smoke. The smoke was so dense that firemen were unable to make much headway. The flame leaped to the main floor at which time a portion of one wall gave way, the building becoming a veritable furnace. A stiff wind helped the firemen in saving adjacent buildings, except one two story structure which was partially wrecked by falling walls.

The Paul Davis dry goods company stock was valued at \$250,000 with about \$150,000 insurance. Book accounts valued at \$50,000 were saved. The building cost \$125,000, on which insurance was carried in the same of \$100,000. It was erected in 1898. The occupants of the office rooms, most of whom were physicians, place their loss at \$50,000 partially covered by insurance.

## ILLINOIS GRAIN DEALERS PROTEST AGAINST INCREASE

Utilities Commission Will Consider Question of Increase in Grain Rates in Springfield, Feb. 3rd.

Decatur, Ills., Jan. 26.—Fifty representatives of Illinois Grain Dealers tonight heard an address by Secretary of State Harry Woods and adopted resolutions of protest against the proposed increase in grain rates of one cent in this state. The meeting was held for the purpose of stirring up sentiment against the increase and to insure a good representation of the grain dealers side of the question before the state utilities commission will consider the question at a public hearing in Springfield Feb. 3rd.

A copy of the resolution will be forwarded to every member of the commission. They base the protest on the fact that no other state is being asked for an increase in rates and that Illinois Grain shipments are more remunerative to the railroads than those of any other state. Poor crops and the effect the increase would have on the incomes of farmers are also referred to.

## GIVES CAUSES FOR THE INSOLVENCY OF THE FRISCO LINES

Inter-State Commerce Commission on Frisco Receivership Reports

## DEBT 82.63 PCT. CAPITAL

Financial Operations, the Profits of Which Were Pocketed by Road's Officers, Are Cited

## DESCRIBES SYNDICATE WAYS

WASHINGTON, Jan. 26.—Financial operations which included the acquisition of lines through syndicates which profited to the extent of more than \$8,000,000 some of which was pocketed by the road's own officers, are cited as among the underlying causes for the insolvency of the St. Louis and San Francisco railroad company in a report to the senate today by the interstate commerce commission on the receivership of the railroad. The report shows that the funded debt of the railroad May 27th, 1913, when the receivership was ordered, amounted to \$2,633,933.72 of which only \$51,364.100 was capital stock and \$244,269,833.72 was funded debt, including equipment trust notes.

That the interest bearing liabilities of the Frisco system exceeded the stock liability by 275 per cent "and were wholly disproportionate when compared with the capitalization of other carriers including those in the territory west of the Mississippi river is asserted by the commission which submits figures for eight selected railroads showing the average ratio of funded debt to capital liability to be 53.65 per cent.

## Borrow All Money Possible.

The report further declares that the inability of the Frisco to meet its obligations seemed to have been apparent for some time to the application for a receivership; that strenuous efforts were made by its officers to tide over financial difficulties from day to day; that money borrowed from all available sources until every avenue of assistance was exhausted, marketable securities being either sold or pledged as collateral under the numerous loans and that notwithstanding this exhausted financial condition the Frisco sold to Speyer and Company of New York \$3,000,000 of its general lien five per cent bonds, a transaction which the commission declares warranted condemnation.

Detailed description is given of the operations of syndicates formed to finance the construction of a number of lines and the sale of such operations to the Frisco in other operations. B. F. Yoakum and other officials of the Frisco participated.

## Ninety Nine Members.

The acquisition through a syndicate operation of the St. Louis, Brownsville and Mexico railway company, the report says, represented a profit of 75.66 per cent on the subscription of each syndicate member. The syndicate was composed of ninety nine members who contributed \$3,980,999.20 toward the construction of the railroad and the report adds, the effect of the entire transaction was that the syndicate secured a profit of \$3,911,923.75, which included the profits on land, the cash donations and syndicate operations.

The original Brownsville line, 144 miles in length, was turned over for operation July 4th, 1904 and extended to Sinton, Texas, in April, 1905. In 1903 the report says, a committee of five was organized composed of B. F. Yoakum, Samuel W. Fordyce, Thomas N. West and Edward Whittaker, for the purpose of constructing the railroad from Brownsville, Texas, to Brownsville. This committee received about 90,000 acres of land and large sums of money donated for the purpose of aiding in construction of the road and development of the land. The land, deals the cash bonuses and the syndicate exploitations resulted in a profit to the syndicate of \$892,487.21.

"After the Brownsville issued its securities amounting to \$10,756,000 as authorized by the Texas railroad commission," the report continues, "an agreement was executed between the St. Louis Union Trust as syndicate manager and the Frisco dated Dec. 1st, 1909, under which the Frisco was to purchase these and additional securities having a par value of \$455,450 for \$1,027,800, with interest from Dec. 1st, 1909. Payment was made by the Frisco on May 26th, 1910 in the sum of \$12,122,897.72."

## Unable to Meet Interest.

The principal difficulty with the Brownsville company has been inability to meet the interest on bonds. Its total capitalization is \$12,670,105.98; its capital stock only \$500,000 and its interest bearing debt \$12,176,185.98 all of which except—

## CONVENTION ENDORSES INITIATIVE AND RECALL

UNITED MINE WORKERS ALSO IN-  
DORSE LA FOLLETTE'S AMENDMENT

Convention Spends \$1,500 Worth of Time Reaching Decision That it Had no Authority, to Compete Either of Two Illinois Local Unions to Pay a Doctor's Bill of \$74.45.

INDIANAPOLIS, Ind., Jan. 26.—The initiative, referendum and recall were endorsed by the convention of the United Mine Workers of America here today. It also was provided in the resolution that the recall be applied to constitutional amendments and that judges shall be prohibited from declaring laws passed by the people unconstitutional. Endorsement of the so-called "gateway" amendment introduced by Senator La Follette of Wisconsin would make it easier to amend the federal constitution also was contained in the resolution. According to the value placed on time by President P. White, of the organization, it cost the convention about \$1,500 to reach the decision that it had no authority to compel either of the two Illinois local unions to pay a doctor's bill of \$74.45.

President White said it costs the miners about \$25 a minute for the time they are in session. A man holding a transfer card from Coffeen, Ill., went to O'Fallon, Ill., where he was taken ill. The union at O'Fallon sent the man to a hospital and the bill was \$74.45. It then asked the Coffeen union to pay the bill, which was refused. The convention declared that it could not compel the Coffeen union to reimburse the O'Fallon union.

## Involved in Heated Debate.

When the convention adjourned it was involved in a heated discussion which was participated in by President White on the action of the international executive board in permitting Joseph Poggiani, business manager of the Mine Workers' Journal to remain in the organization after he had admitted that he had illegally signed two transfer cards. President White defended the executive board by declaring that Poggiani had not signed the cards in hope of financial gain but in the endeavor to aid two of his countrymen. He said that Poggiani had been severely reprimanded for his act and believed that was punishment enough. Duncan McDonald of Illinois, denounced the action as violating the constitution which sets forth that anyone guilty of illegally trafficking in transfer cards shall be expelled from the organization. He said it set a dangerous precedent and intimidated that the mild punishment was due to the fact that Poggiani was an appointee of President White. White denied this.

James Lord, vice president of the Illinois miners was elected president of the mining department of the Federation of Labor. This office has been put on a salary and Mr. Lord purposes to go to Washington, D. C., soon and open headquarters. He will work in conjunction with the Federal Bureau of Mines.

## Western Federation Begins Fight.

Houghton, Mich., Jan. 26.—The Western Federation of Miners today began its fight in the courts in behalf of its president, Charles H. Moyer and its thirty odd officials and members under indictment on the charge of conspiring to interfere with non-union employees of the Michigan copper mines. When the strike cases were called in the Houghton county circuit court at the opening of the January term, counsel for the federation asked for time in which to make special pleas and at the same time filed a motion to quash the indictments on the main grounds that the special grand jury had been illegally summoned and that its deliberations had not been conducted in secret in accordance with law. Judge O'Brien announced that he would devote tomorrow afternoon to hearing arguments on the motion. The federation lawyers are expected to renew their demands for a copy of the testimony before the grand jury made today and denied.

## Mr. Kerr Stated Today an Attack

also would be made on the form of the indictments.

## ENTIRE WESTERN SEABOARD OF U. S. IN STORM'S GRASP

Mountainous Regions of California Receive Brunt of Rain and Snow Gales

## SHRINERS MAROONED

Pleasure Seekers Marooned by Snow Near Truckee—Several Fatalities Are Reported

## SNOWFALL UNUSUALLY HEAVY

SAN FRANCISCO, Cal., Jan. 26.—The entire western seaboard of the United States continued today in the grip of the worst storm recorded this season the second day closed with rail transportation facilities crippled by floods, cloudbursts, washouts and land slides. The southern and mountainous regions of California received the brunt of the rain and snow laden gales. On the Sierras the snowfall was unusually heavy. Traffic on the overland lines of the Southern Pacific has been tied up since yesterday and 200 pleasure seeking Shriners, with 130 members of other organizations attracted to Truckee, Calif., by a winter carnival were marooned in the snow. Westbound trains are being stopped at Sparks, Nev.

## Four Reported Drowned.

Los Angeles, Cal., Jan. 26.—Men were drowned, a boy was reported to have lost his life, many people were driven from their homes, buildings were damaged and steam and electric railway traffic either was tied up or seriously interrupted in Southern California today as the result of rain that deluged this section in the last twenty four hours.

The deaths were those of Louis Jones, a retired banker, of Montecito, Hugh Spear Haven, an eastern capitalist, who was drowned near Monrovia and Rico Rodriguez, who sank in the flood waters of the San Gabriel river near Whittier. Haven, who had come to Monrovia to pass the winter with his wife, was drowned when he attempted to jump a storm drainage ditch and fell in. His body was found with his right hand caught in the woodwork of a bridge near the scene of his death. He was 57 years old.

An unidentified boy is said to have been swept into the Los Angeles river when a cable upon which he had been leaning gave way.

For ten miles along the Rio Hondo, near Montebello, ranchers which reached a depth of six feet in their homes, forcing the occupants to roofs or second stories all were rescued.

Santa Fe officials said a freight train was wedged in by a landslide on a cut on its new double track line in Cajon Pass.

Damage to highways in Los Angeles county alone is estimated at \$500,000.

## Retired Banker Drowned.

Santa Barbara, Cal., Jan. 26.—Louis Jones, a wealthy retired banker and his wife, living in the millionaire colony of Montecito were drowned yesterday in a flood from the mountains caused by a cloudburst. Half a dozen houses in this city were wrecked and nearly every bridge in the county, including railroad bridges north and south of the city were washed away. Estimates of damage range between \$350,000 and \$750,000.

## Storm Sweeps Northwest.

Seattle, Wash., Jan. 26.—A severe storm swept the Pacific northwest today, snow and rain being accompanied by a wind which at some places attained a velocity of 60 miles an hour. The storm on Puget sound was the most severe recorded since the establishment of the weather bureau here. The wind blew 60 miles an hour at Cape Plattery and 54 miles here.

Pollux of Eugene, Ore., was flooded today by overflow from Amazon Creek. It was reported many people in the lower part of the town were marooned. At Salem the storm unroofed a portion of the state insane asylum and at Baker, Ore., the court house was damaged and many houses unroofed. At Junction City, Ore., the water tower supplying the city was blown down.

The Canadian Pacific Steamer Princess Sophia was driven ashore on the British Columbia coast but the passengers were transferred to another vessel in safety. Over an inch and a half of rain has fallen in Portland in the last twenty-four hours and the excess of rainfall here since January 1st has been 5.13 inches.

## RUMORS OF GRAFT ARE BEING INVESTIGATED

GRAND JURY CONTINUES INVESTIGATION OF RUMORS

Charges That Certain Attaches of the U. S. Department of Justice Had Benefitted By the Disappearance of Jack Johnson Are Being Thoroughly Investigated.

CHICAGO, Jan. 26.—Grand jury investigation was continued today into the rumors that certain attaches of the United States department of justice had benefitted by the disappearance of Jack Johnson, a negro prize fighter who fled to Paris after having been convicted of violating the Mann act. A search was being made for Sol Lewinsohn, a former professional bondsman and private banker, it was stated. Lewinsohn left here after being summoned into the state courts in connection with a questioned bond transaction. An investigation by a receiver appointed for his bank showed only \$5 in the vaults.

Neil Williams for several years employed by Lewinsohn as a chauffeur was before the grand jury for several hours. Bert Meyers former agent for the department of justice who brought Johnson back from Battle Creek, when he first attempted to flee, also testified. David Lewinsohn, brother of the missing bondsman, and H. A. Foss, weighmaster of the board testified.

Meyers told of his arrest of Johnson at Battle Creek, Mich., at the time of the pugilist's first attempted flight to Canada. He also told of a telephone conversation he had with Charles F. DeWoody, agent of the department of justice, as to whether Johnson should be permitted to go to jail or to his home under guard. He said DeWoody asked to talk to Johnson. Following this conversation, DeWoody, he said, instructed him to take the fighter to jail.

When Johnson was arraigned before Federal Judge Carpenter a few hours later, DeWoody was reprimanded for arresting Johnson. Meyers said and the negro was allowed to go free on the bond under which he was previously at liberty.

## OFFICERS OF MICHIGAN CENTRAL BEGIN WRECK INVESTIGATION

Crew of Freight Train May Be Held Responsible For Smash-up Which Killed Four Persons Sunday Night.

Jackson, Mich., Jan. 26.—Officers of the Michigan Central railway this afternoon began an investigation of the wreck on the Saginaw division of that road which caused the death of four persons and the injury of a dozen others, late Sunday night.

According to division Supt. Wright, the crew of the northbound freight train was responsible for the collision. They should have taken the siding at the Michigan Air Line crossing to allow the southbound train to pass, but instead of so doing, ran a quarter of a mile beyond the switch where the two trains running at nearly full speed collided.

The last body taken from the wreckage was that of Laverne V. Beck, superintendent and vice-manager of the American Type company of this city.

Several of the injured in local hospitals were in serious condition tonight. It was said, however, that only one, of Alma, Mich., would recover. Smith's skull was fractured and he was badly crushed about the shoulders.

## NO DISORDER MARKS MEETING OF DEPOSITORS

Only 400 of the 900 Depositors of the Defunct Tonica Exchange Bank Are Present at Meeting.

Ottawa, Ills., Jan. 26.—No disorder marked the meeting today of 700 depositors of the defunct Tonica Exchange Bank to elect a trustee in bankruptcy. It was the first meeting of the creditors and the bankers since the failure and deputy United States marshals and deputy sheriffs were present to quell any demonstration.

Only four hundred of the 900 depositors voted today and the meeting adjourned until tomorrow. Frank E. Ritchey of LaSalle is in the lead for the trusteeship.

an avalanche, sweeping down the mountainside here today, instantly killed three persons and seriously injured three others. Four houses were ground to splinters. Every tree in the path of the slide was snapped off at the roots. The bodies of Miss Anna Packovitch and two Greek miners were recovered shortly after they met their deaths. All had been crushed almost beyond recognition. When the avalanche started, Mrs. A. P. Webb was standing on her porch with an infant in her arms and two children at her side. They fled along the mountainside and although showered by flying particles of snow and ice, managed to flee from its path. The avalanche descended a distance of only a half mile, from near the head of a canyon and ended in a field. Tonight three coal mining camp. It measured this coal mining camp. ## FEDERAL CONSULS CALLED TO ANSWER TREASON CHARGES

Mexican Consul at Douglas, Ariz., and at Nogales Called to Mexico City

## DESERT FEDERAL ARMY

Over 500 Soldiers Are Reported to Have Deserted the Federal Garrison and Joined Rebels

## U. S. RANCHERS TERRORIZED

DOUGLAS, Ariz., Jan. 26.—Miguel Lopez Torres, Mexican federal consul here has been summoned to Mexico City to answer charges of treason and it is said Angel Aguilar, Huerta consul at Nogales, has been sent for also.

Information was received here today that General Carranza has issued a decree setting aside Feb. 22, as a day of national mourning in Mexico for President L. Madero and Jose Pino Suarez, the martyred president and vice-president of the republic.

General Obregon expresses the belief, according to Francisco Elias who has just returned from a conference in Hermosillo with the rebel general, that Guaymas will fall into the hands of the rebels in a month or even less. Total desertions from the federal garrison during the last seventy five days are more than 500 it is reported, all of the deserters bringing arms and ammunition, which are used in equipping the rebel forces.

The United States army captains of the border patrol it is said have been instructed by the war department to submit topographical maps of Sonora for 200 miles south of the border including roads, canyons, water holes and camping places suitable for a force of 2,000 men. It is stated the map making is not significant as it is a contest on which the officers may be graded.

## Mexican Soldiers Paid.

El Paso, Tex., Jan. 26.—Although they are to be sheltered and fed definitely by the United States government the Mexican soldiers from Ojinaga who are interned at Fort Bliss received from their own government today more of the pay due them before they crossed the Rio Grande. Each Mexican soldier received \$5, his first pay for months, and, according to General Salvador Mercado, the commander the last. None of the foreign soldiers were permitted to leave the reservation to spend the money.

An official census just completed by Colonel Frederick Perkins shows there are now 5,295 soldiers and refugees to be provided for by this government. Besides the six generals there are thirteen field officers of the regular Mexican army and fifteen volunteer field officers, other officers total 204. The women number 1,237 and the children 552.

## Bandits Terror of Ranchmen.

Bandits operating in western Chihuahua state under Maximo Castillo again are creating terror among the American ranchmen according to reports received in Juarez. Castillo who is operating independently of the rebels was said to have threatened all Americans with death if they refused to give them their property. General Villa has sent detachments against Castillo but so far has failed to capture him.

The military situation in northern Mexico remained unchanged today. General Villa was at Chihuahua while the advance southward of a portion of his army had not extended beyond Escalon, which is more than half way to the federal garrison at Torreon.

## Gunboat Leaves Vera Cruz.

Vera Cruz, Jan. 26.—The Mexican Gunboat Zaracoza, which has been loaded with supplies, left her wharf today and it anchored in the harbor. It is believed the Zaracoza will leave shortly for Havana.

## Accomplish Nothing.

Washington, Jan. 26.—Announcement from Mexico that nothing had been accomplished by the conference at Vera Cruz between Jesus Flores Magon and John Lind was not commented upon today in official circles here. The state department had no advice on the subject directly with President Wilson since the meeting between the president and his envoy at Pass Christian several weeks ago.

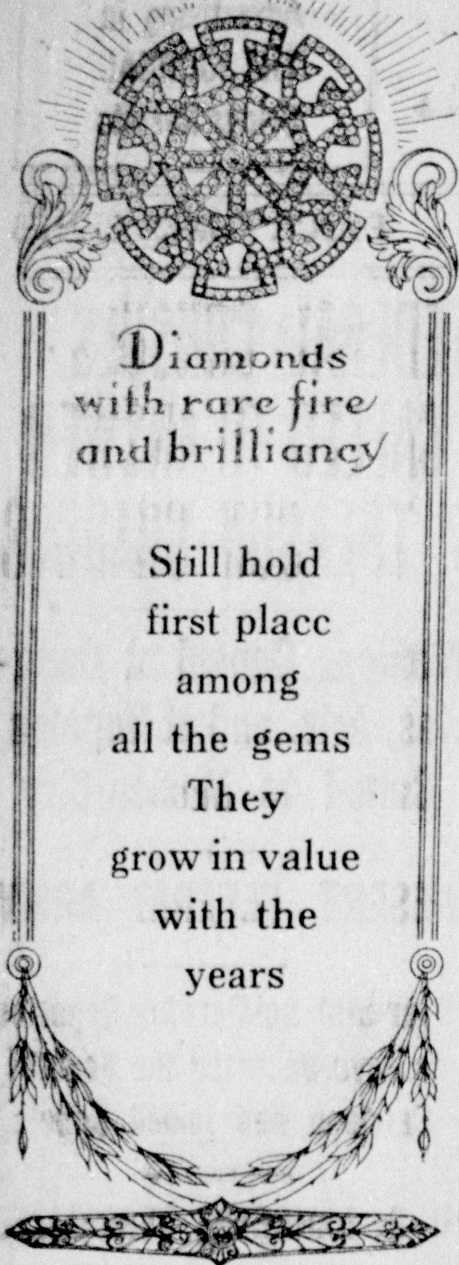

## LA ROSE BANK CLOSED.

Ottawa, Ill., Jan. 26.—The La Rose bank, a private institution at La Rose with deposits of more than \$75,000, failed to open for business today. The assistant cashier notified the depositors the vaults were empty.

## CLAIMS ARE ALLOWED.

Boston, Jan. 26.—Claims amounting to \$500,000 against the Walpole Tire & Rubber company, which has been in the hands of receivers for the past six months were allowed by the federal court today.

### GIVES CAUSES THE INSOLVENCY OF THE FRISCO LINES

(Continued From Page One.)

ing \$32,000 bears interest at six per cent.

"The ratio of interest-bearing securities," the report says, "to the total of securities outstanding is 96.06 per cent an excessive ratio even when compared with the Frisco, which has a ratio of 82.63 per cent."

Desire of the Frisco for an entrance into Chicago resulted in purchase of the Chicago and Eastern Illinois railroad in 1902 by the issuance of Frisco stock trust certificates upon the basis of \$150 for the preferred and \$250 for the common stock. In order to meet the fixed charges upon its stock trust certificates," the report asserts, "it was essential that the Frisco should receive its dividends from the Chicago & Eastern Illinois six per cent upon the preferred stock and ten per cent upon the common stock each year. On the preferred stock six per cent was paid each year. The dividend on the common stock has been sufficient to meet the interest requirement on the stock trust certificates in but three years.

"The resultant net loss on the common stock amounted as of May 27th, 1913 to \$1,710,388, which amount the Frisco paid in interest upon its common stock trust certificates held by the public in excess of the dividends received upon the Chicago & Eastern Illinois common stock."

"This discount on bonds and notes other than short term notes issued by the Frisco and lines which it controls aggregated \$2,152,602.07."

**Rock Island Seizes Control.**

"The Rock Island seized control of the Frisco in 1903 through the purchase of the Frisco common stock and retained such control until 1909 when it disposed of its holdings to B. F. Yoakum, Edwin Hawley and others. During the six years of Rock Island control the Frisco issued more than \$71,000,000 on short term notes, all of which were liquidated within the same period, except \$1,641,329.12.

"During the same period the net increase in the funded debt including equipment trusts was \$78,000,000."

Of the Frisco's investment in the stock of the Chicago and Eastern Illinois railroad the report says, the transaction showed a net loss of \$1,710,388 to May 27th, 1913.

The progress of the receivership appointed for the Frisco July 15th, 1913, is given in detail. They have paid \$1,354,994.38 of the principal of equipment trust obligations, being the entire amount of such obligations matured during the receivership to Nov. 30th, 1913. Interest coupons amounting to \$2,981,144.39 have been paid as have also all rentals, taxes and sinking fund requirements, while an increase of \$141,000 has been effected in the stock of material and supplies.

"The amount of outstanding bonds in the hands of the public," the report says, "have increased during the same period \$514,000 occasioned by the sale of an equal amount of general lien five per cent bonds which were disposed of by bondholders holding such bonds as collateral for loans made prior to May 28th, 1913. Liability of the company in the form of notes liquidated by the sale of the collateral was \$286,635.01."

The property investment of the Frisco on May 27, 1913, is given as \$193,923,092.77 with certain deductions reducing the book value to \$187,295,537.25.

**The Real Trouble.**

Many women are worried because their complexion has become sallow and muddy. In trying to cover it up with face powder they make a bad matter worse. The real trouble is with the liver. Take Chamberlain's Tablets and correct the disorders of your liver and your complexion will be greatly improved. These tablets also improve the general health, and no woman can reasonably hope to be beautiful unless healthily. For sale by all dealers.—adv.

**INDIAN COATS.**

An order for twenty-five Indian Novelty coats for the use of the Philadelphia club of the American League, has been placed with J. Capps & Sons of this city. The coats are to be made from handsome blue and red pattern, very suggestive of the Cheyenne or Apache and when the World's Champions go on the war path the coming season, the pitching of Big Chief Bender will probably not be the only thing that will strike terror to the hearts of his enemies. The garments will be made up in Norfolk style with shawl collar and the names of each player will be stitched into each garment. The sizes are all over 40 in chest measurement and run as high as 44 for Bender, Baker, Shawkey and Lapp. Strunk, Thomas, Bender, Coombs and Oldring each require extra sleeve length.

The coats will be furnished in all other particulars like the motor coats sold by Tomlinson and Brook & Breckon. They were sold through A. G. Spalding & Bro., who have handled the Capps line during the past year.

### NOTES FROM THE LABOR WORLD.

Detroit is to have a \$100,000 labor temple.

Bavaria plans of system of unemployment insurance.

Boston Typographical union has declared in favor of government ownership of telegraph and telephone.

The Belgian chamber of deputies has passed a bill granting a pension of 360 francs a year for miners 55 years of age, who have worked 40 years in a mine.

Sir Charles Louis Bart, who has been appointed treasurer of the British National Union of Masters and Mates, is thought to be the first baronet to be connected with a labor union.

The New England District Council of Electrical Workers' unions has undertaken a campaign for the immediate organization of employees of every electric light and power company in New England.

In 61.7 per cent of the cases of women factory workers in the state of Washington, investigated by the Industrial Welfare Commission, the wage was less than \$9 a week. The average was kept up by the pay of employees of fish canneries, who are permitted to work more than eight hours a day.

Tailors' union No. 89 of the Minneapolis is one of the oldest labor unions in the northwest. It was first organized 41 years ago and has ever since been an important factor in all organized labor movements in Minneapolis.

If a measure just introduced in the New York senate is enacted it will become unlawful for any grocery store employee in the first class cities to be permitted to work more than 7 hours a week or more than 11 hours a day except Saturday, on which day he may work 15 hours in order to eliminate work on Sundays.

One of the largest single orders of groceries on record was given a Chicago wholesale firm recently by the Western Federation of Miners. The order was for \$60,000 worth of staple groceries to be distributed among the families of the striking copper miners of the Calumet region.

Patron Telephone Operators' union has received official notice from President McNulty of the American Federation of Labor Electrical Workers' union that it has been granted charter No. 1 of the new women's branch of the international organization.

In Texas the state industrial accident board has held that street railway companies do not come within the purview of the Texas workmen's compensation act; that they are exempt from the clauses which provide that common carriers are not subject to the new law, thus making all steam and electric roads exempt.

Records for membership were broken in the United Mine Workers' organization during 1913, according to the reports of the international officers. The paid up membership on December 31, as announced was 415,142. The previous record, at the end of August, 1913, was 409,158 members. The paid up members, on Dec. 31, 1913, numbered 386,965.

An appeal to the members of every local union of organized labor in Canada has been issued by the British Columbia Miners' Liberation league, asking that on January 30 a 13 hour "holiday" be inaugurated as a gigantic protest of the 29 miners now in jail, at New Westminster in connection with the recent big strike on Vancouver Island.

**SIGN PAINTERS FORM NEW FIRM.**

L. D. Caywood has taken Edward Ellis into his sign business and the new firm will open February 1, at 221 1/2 South Main street, better known as Coulter's old stand.

Mr. Caywood, as is well known, started in business here about a year ago and has been most successful. Mr. Ellis is well known in Jacksonville, having spent his childhood here. For the past fifteen years he has been engaged in the sign business, having worked in the principal sign shops of St. Louis, Houston, Tex.; Shawnee, Okla.; Kansas City, Mo.; Kalamazoo, Mich. He brings with him new and novel ideas that will be appreciated by the business men of the city. A successful future for the new firm is already assured.

**IF MEALS HIT BACK AND STOMACH SOURS**

"Pape's Diapiesin" Ends Indigestion, Gas, Dyspepsia and Stomach Misery in Five Minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent boxes of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxative or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gas, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.—adv.

## ANTI-SALOON WORKERS HELD SUCCESSFUL LUNCHEON

Large Company Attended Event at Grace Church Monday Noon—Well Known Speakers Heard—Officers of County Committee Named.

The "See This Through" rally of the Anti-Saloon league forces held at Grace church Monday noon was a very successful event and indicated that the anti-saloon organization in this county is very active. The luncheon held at noon, the women meeting in the afternoon and the mass-meeting at night were all well attended.

The luncheon was served by the ladies of the church in a faultless way and after the excellent menu, Prof. Thatcher sang in his inimitable manner and responded to a loud encore and then A. T. Capps took the chair and with well chosen words, most admirably performed his duties, welcoming the guests of honor and the friends from the city and county. He said all were coming to a truly dry city and he complimented the W. C. T. U., the Anti-Saloon League and the men who worked with it.

**Working Together.**  
He then introduced Hon. John G. Woolley of whose remarks and those of the others only a few thoughts are offered.

"I am glad to be here for the times gathering is a sign of the times when people of all political parties, creeds and beliefs unite to fight the demon alcohol. The scolding person accomplishes little and there has been too much of it by the prohibitionists in the past. The people are coming more and more to their own. Time was when the politicians owned the town and all else but now they are moved to a back seat. We must work together harmoniously. Religion, science, labor and common sense are coming to our side. The prohibition movement was a missionary enterprise, an advance guard, but it is now in evidence. Temperance is becoming a matter of plain business. The whiskey doctors are scarce; trades unions do not meet in saloons; the church of Christ is taking on the leadership in the fight. We are going to win; some Tuesday after some first Monday, some day hence at the close of the day there will be grand national vote and a law against the sloon will be laid by the nation at the feet of the Lord.

**The Founder of the League.**  
Howard Russell, the father of the Anti-Saloon league, spoke next and told how Merwin, a temperance lecturer, met Abraham Lincoln long ago and with him wrote Richard Yates of Jacksonville to arrange for a temperance meeting in this place to work in favor of something like the Maine law. Might not the influence of that meeting have had something to do with the grand victory in Jacksonville. He had seen the League prepared and made by Lincoln and when a committee came to notify the writer of his nomination in 1860, he invited them to a cool drink of ice water. The prime need of the hour is to see to it that the right men are nominated for the state legislature. The liquor forces combine and work together and so should the powers of right. See to it that the right men, regardless of party, are nominated and elected. We must have the legislature right and get more dry territory."

**More Legislation Needed.**  
Supt. F. S. McBride spoke next. He said, "I am glad to be here in this city on which the eyes of the state and far away communities have been. You have voted Jacksonville dry, now the battle will be to keep it so. Stay till we have a national constitutional amendment against liquor. Lee O'Neil Brown has truly said that no matter how we disguise the fact the great issue is between the forces of the saloon and its enemies. We want county option, anti-shiping laws. The great thing now before us in the legislature; we must see to it that friends of the cause are nominated and elected. Do not endorse more than one man. If the Democrats nominate a saloon man and the Republicans and Progressives both name good men do not scatter the vote, but stick to one. The Progressive movement will cause some complications but we must use wise methods and put the anti-saloon cause ahead of all others. By wise endorsement of all men who promised fairly in 1908 we got the jackpot legislature. The saloon force always nominate their friends and stay with them; we must be as wise."

**Officers Chosen.**  
The time for business came next. A committee composed of one from each precinct as far as present, was chosen; the one named to act as organizer in his specific district. The following were named on the committee: Orleans, Joel G. Strawn; Litterberry, W. H. Crum; Waverly, Fred E. Deatherage; Concord, Edward Cooper; Lynnville, C. H. Gibbs; Franklin, Lewis Roberts; E. D. Scott; Meredosia, L. F. Berger; Jacksonville, J. J. Reeve, A. T. Capps, H. J. Rodgers, J. H. Manson, Mrs. Jas. Danskin; Murrayville, Rev. E. F. McCuikom; Nortonville, David Wilson; Pisgah, A. A. Curry; Prentice, J. H. Hubbs; St. Clair, Arthur Swain.

Of the committee H. J. Rogers was chosen chairman.  
The following officer were elected:  
President—H. J. Rodgers.  
Vice President—Dr. Edward Bowe.

Secretary—Mrs. J. H. Danskin.  
Treasurer—W. C. McCullough.  
The following were named members of the legislative committee: Jacksonville—A. T. Capps, H. J. Rodgers, Dr. Edw. Bowe, T. H. Buckthorpe, E. M. Vasconcellos, J. H. Danskin, Wm. C. McCullough, T. M. Tomlinson, J. A. Bellatti, L. O. Vaughn, W. O. Wait, Wm. J. Brady, J. R. Barker, Dr. Carl E. Black, Dr. Ross Browning, Jerry Cox, James McDonald, John Day, Clarence Des-Pew, Chas. S. Black, Harold Johnson.

## Weihl's Midwinter Sale!

### THE PURCHASE OF TAILORED APPAREL

is like any other purchase—it does not pay to skimp quality. There is no satisfaction in owning an inferior suit of clothes—no pride of possession. You know, and so does any one else familiar with clothes, that it possesses no marks of individuality.

Quality demands a fair purchase price. When a suit or overcoat is offered at a ridiculously low price, you may be assured that they are not clothes you would care to own; that however absurd the sum you pay, you are not receiving fair value for it.

We carry the finest grade of woollens obtainable, and we offer the most reasonable prices possible, quality considered.

### SUPERB RECITAL GIVEN AT WOMAN'S COLLEGE

Mr. Max L. Swarthout, Violinist and Mr. Donald M. Swarthout, Pianist, Delight Large Audience by Brilliant Work.

Music hall at the Woman's college was taxed to its capacity last night on the occasion of the recital by Mr. Max L. Swarthout, director of the College of Music and his brother Mr. Donald Swarthout, assistant director. This was the third appearance of the musicians in Jacksonville in joint recital and their artistic work made the program one of unusual pleasure. Although it has been the custom of the Messrs. Swarthouts to give a program of only three numbers it will be noted that a deviation was made last night and an added group of piano numbers was given. It was the consensus of opinion that the program was not only up to the standard set by these musicians in former appearances, but even went beyond the point of artistic efforts.

The program opened with a piano sonata from Piere, Op. 36. It is a representative number from the modern French school of composition with its weird harmonic nature and its exceedingly complicated rhythm. The gracefulness of the first movement, the swaying tender style of the second and the broad syncope and its contrasting themes of the final movement all combined to give the selection an unusual interest to the hearers. The ensemble work throughout the entire sonata showed in a marked degree the sympathy for concerted playing, and was handled in an exceedingly fine style, displaying a tremendous amount of work.

The Brahms piano groupe consisted of four of the shorter ones of this composer and was well handled by Mr. Donald Swarthout, each number exhibiting a broad appreciation of the contra-puntal treatment and depth of musicianship, which always characterizes the music of Brahms. It demands a powerful amount of technique.

The violin concerto of Saint-Saens by Mr. M. L. Swarthout presented an unusual degree of ensemble work in that the accompaniment was originally written for orchestra and last night was played on the organ by Mr. Donald Swarthout. By this arrangement the musicians were able to approach the original conception of the author with considerable accuracy. It is a number requiring an unusually deep understanding of music as well as the technique of a virtuoso. It was perhaps the best playing that the violinist has ever done in the city. In the first movement breadth and sonority was displayed and in the second movement it was difficult to tell which was playing most of the time, the ensemble work being so perfect. The effect at the close of the movement when organ carried the main theme accompanied by harmonies of violin in arpeggios were exceedingly beautiful. The final movement stood out in sharp relief to the second, ending in a brilliant dashing way. The work of the organist was especially commendable.

The final piano number by Liszt was really a concert number, a most brilliant composition and exacting in its demands. Although not so long as some piano numbers it abounds in technical difficulties and commands wonderful skill in execution.

It was a pleasure to note the masterful style in which Mr. Donald Swarthout handled the number every feeling and mood of the composer being evidenced. The orchestral accompaniment played on the second piano was by Mr. M. L. Swarthout.

### WOMEN VOTERS WILL DECIDE SPRINGFIELD ELECTION

Special Election Will be Held Today on Question of Amalgamating Water and Light Plants.

Springfield, Ill., Jan. 26.—Tonight Springfield is excited over a special election to be held tomorrow, under the initiative provision of the commission form of government, to determine whether a \$20,000 electric generator shall be placed at the waterworks plant on the Sangamon river. The real issue involved is whether the municipally-owned water and light plants shall be amalgamated.

Commissioners Spaulding and Coe have led the fight for amalgamation while Mayor Schnepf and Commissioners Davidson and Hamilton have contended for separate plants. Votes of women are expected to affect the result.

### DAUGHTER OF BISHOP QUAYLE IS REPORTED MUCH IMPROVED

BALTIMORE, Md., Jan. 26.—Miss Margaret Quayle, daughter of Bishop William A. ### WOOLEY SCORES CHRISTIANS FOR WEAK-KNEED INDIFFERENCE

Ex-Presidential Candidate Speaks to Large Audience at Grace M. E. in Closing Meeting Monday—Woman's Meeting in Afternoon.

"Christian men must make good—that is the only solution of the liquor problem," said John G. Woolley, Anti-Saloon league worker and ex-presidential candidate for the prohibition party, at the closing service of the Monday temperance meetings at Grace M. E. church. "He must stop dreaming of revelation and practice the book of acts. He must not be content to feel good or be good but must jump into the ring and make good," said Mr. Woolley as he told what he thought of the present prospects in the anti-liquor fight and scored the weak-kneed Christian who forgets all about the battle between elections, "apologizes for righteousness and runs away from trouble."

Mr. Woolley was preceded by George W. Morrow of Detroit, Mich., field secretary of the National Anti-Saloon league, who told of the national aspects of the question and made an appeal for funds to aid in the fight against liquor. F. Scott McBride, the first speaker, spoke of the importance of political activity and urged the necessity of having a strong force in the legislature. He attacked greater significance to the September primaries than to the spring municipal elections. In the primaries the political color of the next legislature will be determined with reference to the wet and dry issue and the next legislature will determine the fate of county option and woman suffrage. Mr. McBride is the state superintendent of the Anti-Saloon league.

The anti-saloon representatives who spoke in Jacksonville yesterday are making a tour of the state with regard especially to the wet and dry elections in various Illinois cities in April. They came to this city from Taylorville and from here will hold meetings in Alton, Lincoln, Quincy and Springfield. Mr. Woolley is a man of country-wide prominence, having been identified actively with the prohibition party for twenty years and the National Anti-Saloon league for five years. He was the nominee of his party for president of the United States in 1900. Mr. Russell, who spoke in the afternoon, is the founder of the National Anti-Saloon league.

### Meeting for Women.

The meeting at 3 o'clock for women at Grace church was addressed by John G. Woolley, F. Scott McBride and Howard B. Russell of Westerville, O., the league's founder. Mr. Russell spoke of the relation of women to the fight against the saloon, from the prayer meetings of forty years ago, through the stormy times of Carrie Nation and the agitation in Kansas to the present power and influence of the women since their enfranchisement. He complimented the women of Jacksonville on their stand and said that their action had served as an inspiration of thousands of their sex throughout the entire nation.

Prof. Thatcher sang a number of selections in the course of the meetings which were greatly appreciated. Several were of his own composition as "The Rum King's Reign," "Keep Jacksonville Dry" and "Help Us Rescue Our Boys."

### HOLDS INTERESTING SESSION.

The Sunday school which was recently organized at the Maple Grove schoolhouse held an interesting session Sunday afternoon at 3 o'clock with over thirty in attendance. The free will offering was \$1.91. Mr. Hastings, the Sunday school organizer, was present and through the superintendent, John Godfrey, he offered to give each student who attends six consecutive Sundays and also secures a new student who also attends six consecutive Sundays, a Bible. Classes have been started for all grades in the school and there are a number of persons from in the city who are assisting in the work.

### CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" Best for Tender Stomach, Liver, Bowels—Tastes Delicious.

Look back at your childhood days. Remember the "dose mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children its different. Mothers who cling to the old form of physics simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeiters sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—adv.

### LITERBERRY.

The Baptist people had a pleasant and profitable time last Monday night at the Baptist church in the way of a social. Rev. Mr. Dent of Chicago came over to shake hands with the Literberry people and of course, he had something to say, as usual, and preached a very fine sermon from the text, "For what is a man profited if he shall gain the whole world and lose his own soul? or what shall a man give in exchange for his soul?" The ladies served refreshments in the basement after the sermon and everybody had a good time.

Aunt Sarah Collins in dangerously ill. Dr. Fortune is the attending physician.

We are in receipt of a card from Mr. and Mrs. C. A. Beavers, who went south a few weeks ago, postmarked Hot Springs, Ark. They are enjoying life in their new home and their many friends wish for them a pleasant and profitable stay in the south and a safe return home.

S. H. Crum of Crum Villa made a trip to Jacksonville Wednesday.

Sam Smith of Calgary, Alberta, Canada, is visiting friends in and around Literberry. Mr. Smith was at one time a citizen of this neighborhood, but has been a subject of the king for several years and likes his adopted home very well.

Mr. and Mrs. Aaron Petefish entertained at dinner Thursday Mr. and Mrs. J. M. Litter, Mr. and Mrs. S. H. Crum, Mr. and Mrs. W. E. Murray and J. A. Litter. This was another one of those Literberry dinners and we believe the guests were equal to the emergency.

Willard Young Sr., was in town Friday greeting his friends.

Rev. Mr. Dickman filled his pulpit at the Baptist church Sunday morning and evening.

Mrs. G. T. Litter and daughter, Miss Georgia, of Quincy avenue, spent Sunday afternoon at Sunshine cottage. Mr. and Mrs. J. M. Litter of Broadway spent the evening at the same place.

Another card from Fred Henderson came in during the week stating that they were having a good time. Mrs. Henderson is still improving in health, which is good news to their many friends they left in old Morgan. They are still at Kissimmee, Fla.

There will be a revival meeting begin at the Christian church at this place Sunday, Feb. 1, conducted by Rev. Mr. Smith of Woodson.

Dr. Fortune spent three days in Springfield last week, taking a few degrees in Masonry. The doctor is now a 32nd degree man.

BISHOP GREER'S TEN YEARS.

New York, Jan. 26.—A celebration rivaling in magnificence any similar affairs of the kind in the history of the Episcopal church in New York was begun today in honor of Bishop Greer and his ten years' episcopate. The celebration was arranged by the congregation of the fashionable St. Bartholomew's church, at Madison avenue and Forty-fourth street, of which Dr. Greer was for many years the rector.

The celebration will continue over several days and will embrace a notable program of church services and social functions. Among the noted prelates taking part are Bishop Scarborough of New Jersey, Bishop Lines of Newark, Bishop Brewster of Connecticut, Bishop Lawrence of Massachusetts, Bishop Rhinelander of Pennsylvania, Bishop Perry of Rhode Island, Bishop Burgess of Long Island, and Bishop Nelson of Alabama.

The Rt. Rev. David H. Greer, the central figure in the celebration, has long been one of the leaders in the Protestant Episcopal church in the United States. Born in Wheeling, W. Va., in 1844, he graduated from Washington college in 1862. Immediately after his graduation he took up the study of law, but soon threw it aside and became a student in the theological seminary at Gambler, O.

He was ordained in 1868, and his first charge was at Clarksburg, W. Va. After a brief stay there he went to Trinity church, Covington, Ky., where he remained until 1871, when he went abroad. In 1875 he returned to accept the rectorship of Grace church in Providence. He served there thirteen years before coming to New York as rector of St. Bartholomew's.

BIRTHDAY DINNER TO GOMPERS.

Washington, Jan. 26.—Presidents and other officials of the big labor unions, the men who compose the bone and sinew of the organized labor movement in America, are rounding up in the capital to attend the testimonial dinner to be given here tomorrow in honor of Samuel Gompers, president of the American Federation of Labor. The affair is to be given in recognition of Mr. Gompers' 64th birthday anniversary. Official representatives of all of the one hundred and more national and international organizations affiliated with the federation have been invited to attend.

### JURISDICTION OF COURT IS QUESTIONED IN DRAINAGE CASE

Chicago & Alton Railroad and Other Property Holders Raise Question in Mauvasterre Drainage Case Hearing.

The attention of the Morgan county court was Monday occupied with the Mauvasterre drainage district case. The jurisdiction of Judge Brokhause's court to consider this case was argued before the court.

Counsel for the Chicago & Alton railway and certain other property owners questioned the jurisdiction of the court and entered a motion to dismiss the procedure. The court overruled the motion and the jury was called.

Two other jurors will be chosen when court convenes this morning.

The drainage district has settled with two railroads, the Chicago, Burlington & Quincy, and Chicago, Peoria & St. Louis, the former agreeing to pay the district \$500 and grant right of way and release of damages and pay its regular assessment on farm lands owned by it. The Chicago, Peoria & St. Louis agreed to pay \$600 for benefits and give the district right of way, and will remove bridges when reached by dredge boats.

The attorneys in the case are, for the drainage district: L. O. Vaughn and M. T. Layman, Kirby, Wilson & Baldwin represent the Chicago & Alton railroad; Bellatti & Bellatti represent W. S. Graves; George L. Merrill, the York estate; J. O. Priest, Manuel Day, William Nunes, and Frank M. DeFrates; Worthington, Reeve & Green, Isaac Lazenby; Robert Tilton, Ed Oliver; P. P. Thompson, Road District No. 6 and the City of Jacksonville; Thomson and Gregory, John Franks.

TRIAL OF LABOR LEADERS NEAR.

Houghton, Mich., Jan. 26.—The term of the Houghton county circuit court which began today promises to be made notable by the trials of the 38 labor union leaders who were recently indicted on charges of conspiracy to interfere with non-union mine employees. The charges grow out of the great strike in the Calumet copper mine region. Prominent among those under indictment are Charles H. Moyer and C. E. Mahoney, president and vice president respectively of the Western Federation of Miners. The maximum sentence for the offense charged in the indictments is two years in prison and a maximum fine of \$2,000.

QUEBEC IN CARNIVAL ARRAY.

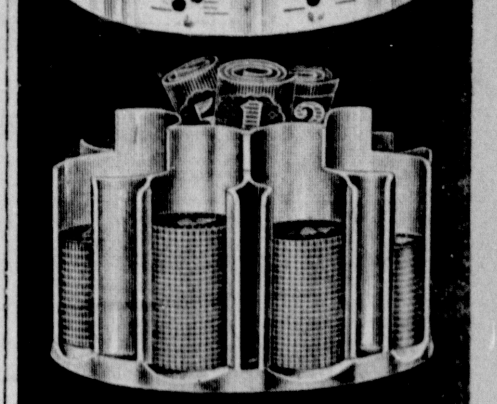

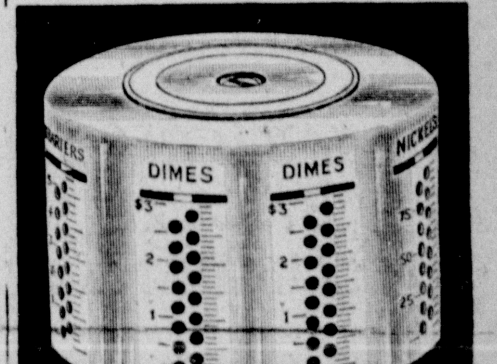

Quebec, Jan. 26.—With his royal highness, the Duke of Connaught, as the guest of honor Quebec's annual winter carnival was inaugurated today. The city is gaily decorated and thousands of visitors throng the streets. An entire week will be given up to winter sports, including skating, tobogganing, curling, hockey and snowshoeing. Brilliantly illuminated carnivals will be nightly features on the ice. Leading in the program of social festivities will be the vice regal ball in Parliament house, which promises to surpass in brilliancy any festivity of its kind that Quebec has seen since the tercentenary celebration.

MONTANA POULTRY SHOW.

Missoula, Mont., Jan. 26.—A record breaking display of poultry and pet stock was placed on view here today at the opening of the sixth annual show of the Montana Poultry association. The exhibition will continue until the end of the week.

**NATIONAL BISCUIT COMPANY**

**Poisoned Blood Quickly Cleansed**

In Any Form of Blood Trouble the Cure is Rapid.

An astonishing record of serious blood poisoning is daily brought to our attention. And most if not all these startling calamities could be averted were the blood primed, toned and purified by the use of that wonderful remedy known everywhere as S. S. S. Few people realize how quickly the system becomes infected with the acids and ferments from undigested food, constipation and inactive kidneys. The symptoms are fever, thirst, excitability, dry skin followed by rash, and many indications wrongly diagnosed as Promete poisoning. This condition is almost universal in all climates and is quickly overcome by the action of S. S. S. The medicinal properties of S. S. S. are relatively just as essential to well balanced health as are the nutritive properties of the meats, grains, fats and sugars of our daily food. And if you will bear this fact in mind and get your blood under the dominating influence of S. S. S. you will not only drive out those impurities that cause Rheumatism, Catarrh, Eczema, Pimples, Boils and thin anemic blood, but you will feel anew the thrill of health that can come only from a purified blood stream. ## FIRST LEGAL BATTLE WILL DECIDE POSSESSION OF THREE PLAYERS

Litigation Concerning Services of Miller, Cole and Killifer Will be Taken up First by Opposing Baseball Forces.

Chicago, Jan. 26.—The first of the legal battles soon to be waged between the forces of "organized" and "outlaw" baseball will concern possession of the services of three players, Ward Miller, "King" Cole and William Killifer.

Miller, the outfielder, whose desertion of the Chicago Nationals for the St. Louis Cardinals was announced recently, stepped into the legal limelight today when President Murphy of the Chicago club announced he was prepared to sue for an injunction to prevent Miller from playing with the rival league. Murphy also said he would sue the player personally for damages, should the latter play with St. Louis.

The Federal League through President Gilmore declared today that it had a clear case against the New York Americans for the services of Pitcher Cole who had signed a Federal contract. The New York club has announced that Cole had made a proposition which the club accepted, and argued according to reports from the east, that this acceptance was equivalent to signing Cole. Cole said he had made terms of the New York club but wired President Farrel in substance: "I think I am worth so much a year." Cole emphasized the "think" as defense. The Federal officials declared the dates of the Cole-Farrel negotiations would be a legal point in their favor. President Gilmore said he had received legal advice today which strengthened the federal position in the argument with the Philadelphia in the Killifer case.

Decisions in the Miller, Cole and Killifer cases, if they come to trial are expected to form baseball history.

Josh Devore was lost to the Federal League and undoubtedly will be with the Philadelphia Nationals this year. Devore said the first contract offered him by President Baker of the Quakers included a \$400 increase in salary but that he returned it with a request for a greater increase and today's telegram indicated that his request would be granted.

BOSTON, Jan. 26.—The Massachusetts legislature includes seven former expert boxers it was brought out today during a hearing on bills proposing regulations for boxing exhibitions.

Representative Lewis R. Sullivan after describing his own ring experiences declared that boxing produced the best type of citizens. Asked when boxing ceased to be boxing and became fighting, he said: "When you take the gloves off."

Representative John F. Sheehan said he had won three boxing championships. Boxing teaches self-reliance, self confidence and improves the morals, he said and added, smilingly:

"Getting a smash on the jaw makes a fellow think faster." To demonstrate to the committee what his idea of boxing is, he volunteered to put on the gloves with some of his colleagues who had had ring experience but his offer was declined.

## ANOTHER WOLF BAGGED.

Charles Watson Succeeds in Trapping and Shooting the Fourth Varmint.

Charles Watson has again earned the good will and gratitude of the farmers southeast of the city by the capture and destruction of the fourth wolf of the pack which has been infesting the vicinity in which Mr. Watson lives. He caught the animal in the same manner as that in which he secured the last one. He set a heavy steel trap at the place in the hedge through which the creature was wont to pass, and Monday morning when he went to examine the trap, he found a prisoner which he dispatched with gun. It weighed about 115.00 in all, five from the county, five from his father and five for the pet.

## FUNERAL NOTICE.

Funeral services for James Z. Scott will be held at the residence, three miles west of the city, this morning at 10:30 o'clock. Interment will be made in Liberty cemetery.

## Principals In Divorce Suit That Has Caused a Sensation.

Photo copyright, 1914, by American Press Association.

The Goeliet divorce suit is the sensation of the hour in exclusive eastern society circles. Mrs. Elsie Whelen Goeliet of New York and Newport has served her husband, Robert Goeliet, multimillionaire and son of the late Ogden Goeliet, with the necessary papers. She asks for a divorce and the custody of her two children under the laws of the state of Rhode Island, alleging that Mr. Goeliet has been guilty of "extreme cruelty, gross misbehavior and wickedness in violation of his marriage contract." Mrs. Goeliet is the daughter of Mr. and Mrs. Henry Whelen of Philadelphia. Mr. Goeliet inherited \$35,000,000 and is a personal friend of ex-President Roosevelt, the Grand Duke Boris of Russia and of other notable personages.

## CITY COUNCIL HELD USUAL MONDAY BUSINESS SESSION

Old Generators at Light Plant Sold at Good Figure—Tungsten Lamps Will Soon be in Service on Streets—Water Supply Report.

The city council held a regular session Monday morning and practically all the business was routine in character.

A communication was read from Mrs. Lillian King expressing appreciation for the flowers sent at the time of the funeral of the late Jas. T. King, former mayor of Jacksonville. This was received and placed on file.

A communication was read from Edward Barton of the Illinois Water Survey calling attention to the 6th annual convention of the Illinois Water Supply association which will be held in Champaign March 9th to 11th. (The writer suggested the city have representation at the convention. The communication was received and placed on file.)

Mr. Knollenberg reported that offers had been made ranging from \$125 to \$600 for the old generators a computer and old street lamps. He said that the Ft. Wayne Co., offered only \$400 in trade. He recommended that the offer of \$600 made by the National Machinery Wrecking Co., be accepted and this was the order by a unanimous vote.

Mr. Engel reported for the health department that there seemed to be no increase in the sore throat troubles and said that number of physicians had agreed to visit the school buildings and examine the pupils' throats instead of have the pupils go to their offices.

Mayor Davis stated that the Board of Education had practically agreed with the anti-tuberculosis society and the Woman's club to share the expense of having an expert nurse devote her time to looking after the health of school children. The arrangement will in all probability be completed as soon as E. E. Bavington returns from Chicago where he was summoned on account of the illness of his son.

The mayor said that when he first suggested to the Health Department that there be stated throat examination that it was supposed the children would in most cases go to the family physicians but that such had not been the case.

Mr. Brennan reported that new hoods and tungsten lamps have been received and the regulations for the switch board are to be shipped Jan. 29th. Various city employees joined in putting the hoods and sockets together and will take a hand in putting them in position in the streets just as soon as the regulators come.

At that time 250 lights can be put on the streets and more will be added from time to time. It is Mr. Brennan's belief that he can have 400 lamps on the streets in 90 days. There are now 187 hoods on the streets and but 102 are in use so that it can be readily understood that when the 200 lamps are going three or four weeks hence that the city streets will be fairly well illuminated.

## RUB SORE, LAME BACK STOP BACKACHE AT ONCE

Rub Backache and Lumbago Right Out With a Small Trial Bottle of Old St. Jacobs Oil.

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges. Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is perfectly harmless and doesn't burn or discolor the skin.

Limber up! Don't suffer! Get a small trial bottle from any drug store and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.—Adv.

## JACKSONVILLE WITNESSES

The Names of Jacksonville Persons Familiar to All.

Who are the witnesses? They are Jacksonville people—Residents of Jacksonville who have had kidney backache, kidney ills, bladder ills; who have used Doan's Kidney Pills. These witnesses endorse Doan's.

One Jacksonville resident who speaks is P. J. Meaney, blacksmith, 333 North East street, Jacksonville, Ill., says: "When I used Doan's Kidney Pills two or three years ago, they fixed me up in good shape. My kidneys pained me terribly and my back ached, especially when I stooped. The action of my kidneys was irregular. Doan's Kidney Pills not only stopped the aches and pains, but also regulated the kidney action."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## HOT TEA BREAKS

A COLD—TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tea," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time! It is the most effective way to break a cold and cure grip, as it opens the pores relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

## THE TANGO.

(Lester McDougall)  
The Tango as a dance, from an artistic point of view, is, without a doubt, the most attractive and interesting dance ever introduced.

The Tango, is to dancers what classical music is to music; it is all dancing and when viewed by spectators, it interests and fascinates just as classical music interests and fascinates the hearers. The Tango combines all there is in dancing, nearly all steps used in the various dances being combined into beautiful combinations into this one dance. On account of the many varieties, and possibilities, nearly all dances but these incentive genius of work, originating new steps to suit their own particular tastes. It seems that each dancer is anxious for as much originality and individuality as possible.

The dance, like many of our old ones, has been abused in some localities, but this was due to incompetent instructors or some awkwardness, or ignorance on the part of the dancers.

Very few people aim to be vulgar in dancing and this applies especially with great force to the Tango. The devotees of this dance have nothing on their minds when dancing the same, aside from the enjoyment they get out of the dance. There is so much snap and ginger to the Tango which makes it really all play and dance. That it is almost impossible to resist its temptations.

Old and young, and in fact people of all walks of life are ensnared into its meshes. Persons of very mature years, in fact, many grandmothers and grandfathers, who have not danced for many years, have taken up this form of dancing, and the writer ventures to say that these same people, knowing from the sentiments expressed by them, are getting more enjoyment out of dancing than they ever had before. It is the most attractive and fascinating exercise for people leading sedentary lives, and is to be highly recommended for all people requiring exercise.

All exercises recommended by physicians or at least nearly all such as walking, club swinging, gymnastics, etc., are considered mostly work by those practicing it and the interest in all the exercises usually lag in a very short time with the result that the exercises are finally given up and people settle back into the old rut, with only one thought—good night.

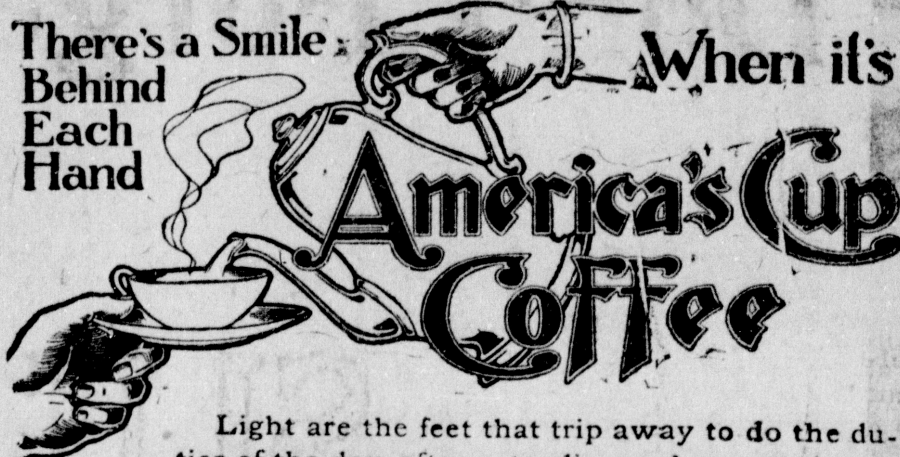

This dance when combined with one of God's greatest gifts, good music, if indulged in two or three evenings a week, will no doubt do more toward rejuvenating all people than any elixir of life, or any other element tending toward rejuvenating ever heard of.

The popular tango as danced in America, is made up of the four fundamental steps as follows: The grape vine, the turn and dip, the glide and walk. All other steps are more or less of a classical nature. The tango has come to stay and would suggest that all concerned cooperate in keeping out abuses.

## Will Interest Feeders.

In this space from week to week feeders of cattle and hogs, and for that matter of all farm animals, will find some very valuable matter. Charles Wood, who during twenty years has conducted many experiments in feeding, has reserved the space to tell the public generally about the method he has found the best.

Mr. Wood's plan for getting best results is by the use of his improved grain softener and of his recently invented stover rack and troughs. The two, used in conjunction, double the nutrient value in corn and produce results which are guaranteed.

The mere softening of the grain which was the first method used was found to furnish a food that was too rich and the syrup was also too thick. The method now adopted overcomes these difficulties and produces the desired results.

Here are the results which this method will produce and Mr. Wood is ready to guarantee the figures:

1 bushel of No. 2 corn will produce 20-lbs. pork; 12-lbs. beef.  
1 bushel of No. 3 corn will produce 18-lbs. pork; 10-lbs. beef.  
1 bushel of No. 4 corn will produce 16-lbs. pork; 9-lbs. beef.

Feeders will find the use of this method the surest way to make dollars. Watch this space for further facts on this subject.

## WORLD'S LATEST FINANCIAL AND MARKET NEWS

### STOCK MOVEMENT IS NARROW; UPWARD TENDENCY VISIBLE

Broad Trading Attending Last  
Week's Buoyant Rise Is  
Missing—Outside Demand  
Falls Off Sharply.

NEW YORK, Jan. 26.—The broad  
trading attending last week's buoy-  
ant rise in stocks was missing from  
today's market. During the great-  
er part of the session, the movement  
was narrow, although an upward-  
tendency was still visible. The out-  
come demand for stocks and bonds  
fell off sharply.

Stocks were sold at the opening,  
in the belief that the reaction which  
set in on Saturday had not run its  
course, but the only result was an  
inconsequential downward move-  
ment. The facility with which the  
market absorbed a fairly large vol-  
ume of selling in the first hour caused  
traders to change their tactics  
and a slow advance began. Steel  
developed marked strength on the  
upturn, selling for a time at a gain  
of two points. The coppers and Har-  
rison's also made a good show-  
ing.

The strong undertone of the mar-  
ket so impressed the shorts that  
they began to bid for stocks and  
trading became more active, but in  
the last half hour there was a swift  
reaction which carried down some  
of the leaders a point from their  
best prices. Last prices, however,  
were well above Saturday's close.  
Steel shares profited by optimistic  
reports of trade conditions and by  
bullish forecasts of the forthcoming  
quarterly statement of United States  
steel.

In explanation of the strength of  
the coppers it was said that the do-  
mestic copper market was broadening  
and that prices were tending up-  
ward. There was a good European  
demand for the stocks.

Atchison, the first of this impor-  
tant western lines to make its Janu-  
ary return, showing a shrinkage in  
net of \$190,909. Lehigh Valley re-  
ported a falling off of \$256,000 but  
Southern made a gain of \$138,000.

## What Cures Eczema?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves hesitatingly recommend D. D. Prescription.

Drop into our store today, just to talk over the merits of this wonderful Prescription.

## DON'T TRUST CALOMEL

THOUSANDS EXPERIENCE BAD AFTER EFFECTS FROM THIS DANGEROUS DRUG.

A Safe Vegetable Substitute is Dr. Edwards' Olive Tablets for the Liver.

Dr. F. M. Edwards, a prominent physician of Ohio, has discovered a laxative and liver toner in a combination of vegetable materials mixed with olive oil, which is in effect almost exactly like calomel, except that there are none of the bad after effects.

Dr. Edwards has long been a foe of calomel, though he recognized its value along with its dangers.

His distrust of the uncertain drug eventually started him, years ago, towards experiments with the view of discovering a substitute, and he has been for several years in possession of the long-sought-for combination, which is in the shape of a little sugar-coated, olive-colored tablet.

The results of 17 years' experience and practice are embodied in the marvelous little tablets.

They are called Dr. Edwards' Olive Tablets. And their effect on the liver has been the means of relief to many of Dr. Edwards' regular patients as well as to thousands of others who have suffered and were afraid of calomel.

There is no necessity when you take Dr. Edwards' Olive Tablets, by following them up with nasty, sickening, grippin' salts, or castor oil, as you do after taking calomel. Try them. 10c and 25c per box. The Olive Tablet Company, Columbus, Ohio.

## HEALTHY HAIR, FREE FROM ALL DANDRUFF

Unwisely, matted, scraggy hair is a sign of neglect—of dandruff, the hair destroyer.

Surely use Parisian Sage. It is a scientific preparation, based on a thorough knowledge of what is needed to cleanse the scalp and hair, keeping them perfectly healthy, stop scalp itch and falling hair, and make hair grow.

Get a 50 cent bottle from Coover & Shreve today—pour a little on a sponge or cloth and rub lightly over the hair, taking a small strand at a time—rub it into the scalp.

Presto! the dandruff surely disappears; the hair is free from dust and excessive oil and is doubly beautiful. Try it now—it will not only save your hair and make it soft, fluffy and abundant, but give it that incomparable gloss and beauty you desire.

## MRS. ELMORE E. CARTER IS FOUND DEAD IN BED

Coroner's Jury Brings Verdict of Death by Stroke of Apoplexy—Funeral This Afternoon at Home of Daughter.

Mrs. Elmore Carter was found dead in bed at the home of her daughter, Mrs. Robert Skinner at 355 West Lafayette avenue, Sunday morning about 9:45 o'clock. A coroner's jury attributed death to a stroke of apoplexy.

At the inquest held by Coroner George W. Wright Sunday, Mrs. Skinner testified that she went to her mother's room Sunday morning at 9:45 o'clock and saw Mrs. Carter lying on the bed, apparently asleep, but that when she went to the bed and touched her mother, she found her dead. Mrs. Skinner then called her husband. Mrs. Skinner further testified that her mother seemed as well as usual when she retired Saturday night. She also testified that Mrs. Carter suffered a stroke of paralysis about two years ago.

Mr. Skinner's testimony corroborated that of his wife and he testified that he called Dr. Wolfe who said that Mrs. Carter had been dead about two or three hours when found. The jury was composed of J. W. Woods, foreman, John Pate, J. H. Perry Jr., Paul Shepherd, Arch Norris and J. G. Reynolds, clerk.

Mrs. Elmore E. Carter was a daughter of William and Angeline Green and was born in Monroe county February 14, 1861. She was married to George W. Carter in Naples, May 30, 1881. Mr. Carter preceded his wife in death some twenty years ago. Three children preceded the mother in death: Ethel and Lois who died in infancy and Guy who died when four years of age. She was also preceded in death by one sister, Druella Green. Mrs. Carter is survived by two children: Mrs. Robert L. Skinner of Princeton, Ill., also by one brother, Newton Green of Naples and the following sisters: Miss Alice Green, Mrs. Joseph Gerard and Miss Amanda Green of Naples. Mrs. J. D. Weaver of this city and Mrs. J. M. Crum of Belltown, Ill. She was a member of Centenary M. E. church and had a host of friends in this city.

Funeral services will be held this afternoon at 2 o'clock at the late residence in charge of Rev. G. W. Flagg, pastor of Centenary M. E. church. Interment will be made in Jacksonville cemetery.

## REAL ESTATE TRANSFERS.

J. Molch Hart to The Franklin Cemetery association, warranty deed, M. & B., section 3, township 14, range 9, \$1.

John A. Wilson to Sam Johnson, warranty deed, part sec 34, nw section 29, township 15, range 10; \$1.

Illinois Woman's college to Henry Babenhause et al quit claim deed, part lot, block 14, city addition; \$1.

The transfer is made to correct an error made by the scrivener in a purchase made some time ago when a mistake in the deed failed to exclude thirty feet off the east side of lot 6 for the purpose of public street in the extension of South Clay avenue. The transfer filed Monday restores this thirty feet of the east side of lot 6 to its former owner.

## PROBATE COURT NEWS.

In the matter of the estate of Heinrich Kloppe. Petition for probate of will. Proof of mailing notice of hearing to all heirs and legatees by clerk according to law. No objections filed. Proof heard of the execution of will offered and same admitted to probate as last will of Heinrich Kloppe, deceased.

## ENTERED SCHOOL BUILDING.

Some one broke into the fourth ward school building Saturday or Sunday night and did some damage to walls and seats in one room.

## BIBLE TO MR. IRLAM.

A pleasing incident occurred at the Unity Presbyterian Sunday school at Woodson on Sunday, when Mr. Thos. Irlam, teacher of the Dorcas class was made the recipient of a Dorcas Bible dictionary, presented by the members of the "Sunshine band."

The Sunshine band for some months has been without a regular teacher, and during that time the two classes, Dorcas and Sunshine, have been combined, with Dr. Irlam as teacher. Recently the young ladies who constitute the Sunshine band met and resolved to reorganize their class, finding that their sphere of usefulness would be increased by working independently, and as a token of the esteem in which they held their temporary teacher, agreed to purchase and present to him the gift above mentioned.

Mr. Coleman, the pastor of the church, made the presentation, in terms highly eulogistic to both teacher and class and commented upon the good feeling that had always existed between them, and Mrs. Coleman, the worthy wife of the pastor is the new teacher, and the class will now, no doubt, grow and prosper, under her efficient leadership.

## FUNERAL SERVICES FOR MISS ISOLA D'CASTRO ARE HELD MONDAY

Ceremonies at Late Residence are Largely Attended—Interment Made in Diamond Grove Cemetery.

Funeral services for Miss Isola DeCastro were held at the late residence, 615 West Lafayette avenue, Monday afternoon at 2:30, in charge of the Rev. Walter E. Spoonst, pastor of Northminster church. "Fallen Asleep," the sermon of the pastor was full of hope and comfort to the hearts of the friends and relatives of the deceased present and the verses of scripture which were read by her special request expressed fittingly the faith which had been her guidance through her useful life and last illness. Miss Isola Spoonst and Miss Rinda Vieira, accompanied by Miss Grace Ferreira, sang a very appropriate song entitled, "Some Day." The profession of beautiful flowers was cared for by Mrs. Charles C. Leidy, Mrs. John Franks, Mrs. Joseph C. Fernandes and Mrs. Charles C. Smith, all of whom were present.

There was no word of lamentation uttered when the companions of Jesus passed away one by one, pointed out the pastor, "It is not said that they have perished but that 'they are fallen asleep.' 'The spirit is with Jesus in glory the body rests till His appearing.' To fall asleep is but the natural and painless ending of a weary day. The sleeping one is at rest and safe from danger, awaiting the time when the refreshing resurrection shall come. We should strive to fill the places of those who have gone before and so set our hearts in order that we fear not the approach of death." Rev. Mr. Spoonst took his text from 1st Corinthians, 15:6: "But some are fallen asleep." The verses read at the special request of the deceased were from the first portion of John, 14 and Psalm 23.

Interment was made in Diamond Grove cemetery. The bearers were Charles C. Smith, Joseph H. Smith, Leonard C. and David Smith, John Franks and Charles C. Leidy, all of whom were present.

Among the friends and relatives present from away were Mrs. E. E. Jones and Mrs. George Reid of Danville; Miss Hazel Green of Bloomington; Mrs. Eugene Beible and Mrs. Mabel Ornellos of St. Louis; Mr. and Mrs. L. C. Smith of Irving, Ill.; Mr. and Mrs. Charles C. ## FORMER PASTOR HEARD AT FIRST BAPTIST CHURCH

Rev. T. H. Marsh, a former pastor of the First Baptist church, filled the pulpit both morning and evening Sunday. Many friends were present and the large number attested the great love the people still hold for him. In the morning he preached from the text John 6:10: "And Jesus said, make the men sit down." In the evening he preached from Matthew 27:22: "Pilate saith unto them, What shall I do then with Jesus which is called Christ? They all say unto him, Let him be crucified." The discourses abound in deep truths and were heard with close attention and great profit. Next Sunday the pulpit will be filled by Dr. Atchison of Chicago, who comes in the interest of the "Forward Movement."

## ANNUAL MEETING OF PASSAVANT TRUSTEES

ENCOURAGING REPORTS FROM ALL BRANCHES OF WORK.

Benefits and Needs of Institution Are Outlined—Ladies Aid Society Does Commendable Work—Election of Officers.

The annual meeting of the trustees of Passavant hospital took place in the chapel of the hospital building last evening. The reports of the various officers were read and while the details would be too lengthy and tedious to reproduce it is proper to say that the institution is in a good, healthy condition. The number of patients treated last year was the greatest in the history of the institution. The hospital has paid its way and has done much charitable work in addition. Many patients have been treated without any compensation from them, the tag day fund seeing to that. Then many more have been treated at far less than cost to the institution.

One feature of the hospital work should have the especial attention and appreciation of the public and that is the nurses' training school. This beneficent branch of the work is sending out annually young women trained to care for the sick and afflicted and in this way many valuable lives are saved and great benefit is done the community. Since the erection of the nurses' home the school stands now in the A class; its work is supervised by the state officials and it conforms to the rules and laws of the state which insure very carefully and thoroughly prepared graduates.

The work of the Ladies' Aid society deserves more than passing mention. This is a noble organization. A large amount of sewing was done by the ladies whose work is of great value. A good quantity of fruit was collected by them in addition to many useful articles. The society with the aid of Miss Venner and Miss Dora Moore, collected for the furnishing of the nurses' home, \$699.90. Then from a picture show there was \$50.00 realized and from the sale of old magazines and papers collected \$50.00 more. Mrs. W. J. Fell collected \$305.50; Miss Dora Moore, \$70.00; Miss Venner \$50.00 and Mrs. Millie Weir, \$50.00. Of this sum \$100.50 was used for furnishing the living room of the nurses' home and the remainder was used in making comfortable and attractive quarters for the nurses.

A hearty vote of thanks was tendered the Ladies' Aid society and Miss Venner, the efficient and popular superintendent for her faithful, devoted and successful services.

A report of the committee to prepare suitable resolutions of thanks to the donor of the nurses' home was adopted.

The tag day fund was \$793.95. Although such good work has been done by the institution its increasing patronage and growth have made some things sorely needed. Among the imperative wants at present are a boiler and laundry building; new boilers, suitable sterilizing apparatus; remodeling of the quarters formerly occupied by the nurses in the main building so the rooms may be used for apartments for patients; a reception room for visitors; a smaller room where patients and friends may have private consultation when desired.

The following officers were elected: President—John R. Loar. Vice president—S. W. Nichols. Secretary—J. G. Ames. Treasurer—F. E. Farrell. Medical trustee—Dr. A. L. Adams. Dean of training school—Dr. C. E. Black. Executive committee—Dr. T. J. Pitner and Dr. C. E. Black.

Dinner is served at residence of her daughter in Woodson Sunday.

Mrs. Lucy McCallister, familiarly called "Aunt" Lucy, celebrated her eightieth birthday Sunday at the home of her daughter, Mrs. Frances McKean in Woodson. Members of the family were present and at noon an elaborate dinner was served. The afternoon was spent in a delightful social manner and Mrs. McCallister was the recipient of a number of beautiful presents. During the afternoon quite a number of the friends of Mrs. McCallister called and extended their congratulations.

Mrs. McCallister was born in Morgan county and was formerly Miss Lucy Henry, a daughter of William Henry. She resided in Jacksonville a number of years ago and is the mother of four children: Mrs. W. H. Rose of White Hall, Mrs. Fannie McKean, Mrs. Dallas Crain and J. W. McCallister, all of Woodson. Her husband was the late Jordan McCallister, who when he passed away eight years ago, had attained the advanced age of 88 years. Among those present aside from the children were: Mr. and Mrs. Bell Fitzsimmons, Mr. and Mrs. Edward Gallagher, Mr. and Mrs. William White, Aery, J. T. Smith and Mr. and Mrs. Maurice Semour of Woodson; Mr. and Mrs. Nellis H. Crain and Mrs. Lambert Hastings, all of this city.

### AT THE GRAND.

In "Fine Feathers" patrons of the Grand Opera House were given an exceedingly high class drama Monday night and a large crowd was present to witness the performance. In this play Eugene Walter has dwelt upon the futility of graft as a road to happiness. It centers around a young chemist, and his wife, who are fighting an uphill fight on \$25 per week. A business man comes along with what he calls an opportunity and seeing that the money will bring a certain amount of luxury, the wife concurs in the opinion. The husband, however, views the proposition only as graft and, while he does not change his viewpoint, he accepts the opportunity for the love of his wife. Mr. Walter develops the story in a masterful way and the play was presented by a most capable company in an equally masterful manner. The audience was most appreciative and the actors were forced to respond to several curtain calls.

## FORMER RESIDENT

### THOUGHT STILL ALIVE

**CHARLES SAMPLE NOT KILLED IN TEXAS, BELIEF OF WIFE.**

Investigations show, Says Wife, That Letter About the Accident Was Written by Himself—Report That He is Living in Houston, Texas.

That Charles Sample, a former resident of Jacksonville, who was reported to have met death in Texas by an explosion, is still alive, is the belief of a great many of his friends as well as his wife who makes her home with her parents, Mr. and Mrs. David Chambers in Mercedia. Since the story was published of the death of Mr. Sample, a copy of the letter he wrote here, it is said, disclosed the fact that it was his own hand writing. Mrs. Sample has also received a letter from Henry Sample, his brother, in El Reno, Oklahoma, who stated that his sister, Mrs. Emma Wilson, who lives out of that place a short distance had seen a letter written from Charles Sample since the reported accident and that he was in Houston.

The story which first came to Jacksonville was a letter written to E. A. Olds, which reads as follows:

Houston, Tex., Dec. 30, 1913.  
Mr. E. A. Olds, Jacksonville, Ill.  
Dear Sir: A man by the name of Charles Sample was accidentally killed about twenty miles from here, December 23 by an explosion of a gasoline engine. He was foreman over a concrete gang of the Roe Construction company of Seattle, Wash., which was doing work in the flooded district. He was blown almost to pieces and his remains were shipped back to Seattle, December 24, as he left no other address. But later we found a letter of recommendation from you, which I will enclose.

Respectfully,

Joe Richey.

From the account it will be seen that the accident happened December 23rd, and the letter written seven days afterwards. Although she did not say much about it at the time Mrs. Sample did not put much belief in the story and the more she investigated the matter the more she was convinced that she was right. Inquiry, showed, according to Mrs. Sample, that there was no such construction company and no papers of Houston or of that part of the country carried the story. Mrs. Sample in speaking about the matter said last night, that not only herself but others who knew Mr. Sample and his hand writing, had examined the letter and were satisfied that it was his own writing. In speaking further about the matter yesterday Mrs. Sample said, "While death is an uncertain thing, and Mr. Sample has not been here for a long time, I am quite well satisfied in my mind that he is still alive. I am sure no tragic death befell him in or about Houston for the coroners' inquests from those counties near there do not record it and then the letter relatives saw in Mr. Sample's own hand writing since the accident make me more firm in my belief."

The friends of Mr. Sample are at a loss to know just what motive he had in writing a letter here about himself, telling of the awful accident. If it be true as reported that he did write it.

# THE KINDEL

## The Kindel—

The great Kindel bed davenport serves you night and day for 365 days and nights in every year and they're built to stand years of such service. These davenports are handsome enough to grace any modern home. In design it's distinctive; in finish it's unexcelled; in materials it outclasses everything of its kind. You'll like it—all women do. Immediately they recognize the coming of another progressive event in an article that saves labor, time, space, money and the temper of the busy housewife. It is so simple to open, a child can do it. One simple movement and it's a luxurious bed of full size, with spring, mattress and all bedding and pillows in place.

The Kindel

The mattress of the Kindel Davenport is of usual thickness, filled with aerated cotton and covered with high grade ticking. The springs are oil tempered spiral springs, are more comfortable, have more resiliency and are much stronger than ordinary springs. They are springs that will last a lifetime.

All the way through the Kindel has the mark of quality and efficiency. Note the distinctiveness of its design, its superb finish, its handsome materials—absolutely one of the greatest davenports today on the market. We do not hesitate one moment to recommend the Kindel Davenport, as we know that it will give perfect satisfaction in every respect.

We have many different styles of Kindel Bed Davenports; one to match your furniture and your plan of decoration. Come in and let us show you this simply wonderful yet wonderfully simple davenport. We are very glad at any and all times to show you. Never think you are troubling us to show you these wonderful davenports, because we take pleasure in showing a piece of furniture that we can positively recommend.
